New members,; apologies for keeping them late occasionally.

Normal practice schedules 6-9 Mon & Thurs full band, Tues drumline and guard. Kids should arrive for games in their shoes and bibbers, white T-Shirts, new ones on the way. No need for that for competitions. Any clothes, will come inside to change. Athletic shorts worn underneath. Remind app when students are about 15 minutes away. Raincoats should come all the time, use when needed. ;Poor weather game may be jeans/shirts with raincoats. Need dry uniforms for next day.

At band comps, we need all hands on deck from chaperones to avoid point deduction. After competition is complete, we will go back in as a group, then they can go off and eat or shop. Chaperones must watch while teachers are in meetings, kids return by 2nd last band to watch. Call kids to bathroom and the bus and teachers will join us.

Football games 3rd quarter off, need a few chaps to hang with the instruments, Alumnis may come back and play if they have their own instrument to play in stands.

NEW BUSINESS:Kris

Student Reps:Eddie, president

Nyomi - Secretary

Tucker - Treasurer

Chloe - Vice president

Tom Moll- School board aware of intentions of purchasing uniforms. \$36000 for uniforms, process started. Will take time due to no money in this years budget. Trying to make it work, 40 one yea 20 next. Hopefully by next year. Equipment, needs; inventory of what needs to be replaced. May be 1,2 or 3 year project but will work on it. Thing ordered already for this year. Shoes, Flags, Airblades, Hat boxes, Bass drum harnesses...

Rental Truck Trailer doesn't hold everything. School will pay \$1500 of the bill for games and competitions. Home football games? Use truck rental or 2 trips with the Trailer. No insurance on trailer, must be insured by driver of vehicle towing it. Instruments covered by school. Penske rental is covered by insurance, need driver license copy for records.

Disney truck rental will have 4k covered by travel agency. Lower rate negotiated...

Truck rate rentals vary based on need. Some weekends higher.

Outgrowing our truck is a good thing, more kids involved.

Band Practice and Camp policy for visitors Went well, met with Tom and Mr Snugg, discussed issues with visitors and going forward visitors are asked to stay off to the right parking lot, and not cross over or engage the kids during practice. Visit at the end of practice, or before.

Approved sites are Twitter and Instagram. Please keep quotes on a positive note. With shootings and issues at school, not an option. Pledge for social media for students?

Problem was not involving any of our current students. Keep things positive in the snack stands or in the stands with kids.

Schedule given to school board. Compliments made on great indoor show.
